Hi All,  
I'd like to set up a Branch Chief meeting to discuss next steps with respect to cost recovery enforcement with Ergon on the Corpus Christi Indulin drinking water incident. Could we discuss this week? If so, please let me know your availability.  
Thanks,

Hi Molly,

I had spoken with the Cost Recovery Officer about that just last week. Given the time lapse, I'm guessing all contractor costs, if any, should have already been turned in. So we should have a more accurate picture of past costs incurred. I've asked the Cost Recovery Branch for a cost summary. I expect we should have it within the week, at which time we'll discuss with the Branch Managers on next steps. I'll get back to you then.

Best regards,  
Ed Q.

Ed,

Happy Summer. Remember the Ergon matter? We understood that EPA might claim response costs related to the water issue. Where is the agency on that claim?

Best, Molly
